

DETAIL
NTS

NOTES:

1. Letters and numbers are to be black paint (State Spec. Latex Traffic) and 4" (100 mm) high.
- * Where curb height does not permit the use of 4" (100 mm) high letters, a smaller size shall be used, but not less than 2" (50 mm) high.
2. The background is to be white paint (State Spec. Latex Traffic), 5 1/2" (137.5 mm) high, with 70% to 90% glass bead saturation.
3. The paint and workmanship shall be the quality as to assure life expectancy and legibility of 2 years.
