

ADDENDUM #2 TO
SAFER AT HOME ORDER FOR CONTROL OF COVID-19

**Conditional and Limited Reopening of Certain
Lower-Risk Retail Businesses and Public Spaces**

Date Addendum Issued: May 8, 2020

Please read this Order carefully. Violation of or failure to comply with this Order is a crime punishable by fine, imprisonment, or both. (California Health and Safety Code §120295; Los Angeles County Code § 11.02.080.)

SUMMARY OF THE ORDER: This Addendum to the April 10, 2020 County of Los Angeles Health Officer Order (Order) amends the Order to allow certain specified types of lower-risk retail businesses to reopen for sales and service transactions made via curbside pick-up or delivery only. In order for these lower-risk retail businesses listed in this Addendum #2 to reopen, each must make the appropriate adaptations required by the State Public Health Officer, as well as, implement and post the Los Angeles County Department of Public Health Reopening Protocol, attached to this Addendum. Where one exists, the business-, sector-, or public space- specific Reopening Protocol must be used.

Additionally, this Addendum permits the reopening of all previously closed public trails and trailheads within the County of Los Angeles Public Health Jurisdiction. While present at these recreational spaces, the public must practice Social (Physical) Distancing and comply with all access and use restrictions attached to this Addendum.

Lastly, this Addendum permits the reopening of new or used auto sales dealerships or operations. As a condition of reopening, these auto sales businesses must implement the Los Angeles County Department of Public Health Reopening Protocol for Car Dealerships.

**UNDER THE AUTHORITY OF CALIFORNIA HEALTH AND
SAFETY CODE SECTIONS 101040, 101085, AND 120175,
THE COUNTY OF LOS ANGELES HEALTH OFFICER ORDERS:**

- 1) Lower-risk non-essential retail businesses, not located within an indoor mall, and listed in subsections (a)-(f), below, may reopen for the sale of goods or services, but may only provide these goods and services to customers via curbside, or outside of the store or facility, pick-up or delivery. Only employees may enter into the lower-risk non-essential retail business. Customers must remain outside the store or facility at all times while practicing Social (Physical) Distancing, as provided in Paragraph 14 of the April 10, 2020 Order. These lower-risk non-essential retail businesses must make the adaptations and implement the infection control precautions required by the State Public Health Officer, as well as, implement and post the Los Angeles County Department of Public Health Reopening Protocol for Retail Establishments, attached to this Addendum, prior to reopening.
