ARCADIA ANNOUNCES NOVEMBER 10 COMMUNITY WORKSHOP ON CITY COUNCIL REDISTRICTING

October 11, 2021 – The City of Arcadia is seeking public input on the redistricting of City Council districts. Every 10 years the United States conducts a census to count the population. Upon the completion of the United States Census, the City Council District Map is realigned to reflect Arcadia's current population.

On Wednesday, November 10, 2021, the City of Arcadia will host a Community Workshop at 6:00 p.m. in the City Council Chambers located at 240 W. Huntington Drive to provide an overview of the redistricting process, to solicit input from Arcadia residents on communities of interest, and to introduce the City's redistricting mapping tool. The public is encouraged to attend the Workshop to learn more about the redistricting process and understand their impact on helping shape the City's new districts.

Additional public meetings will be conducted over the next several months and the public is invited to comment on redistricting issues discussed during those meetings. For more information regarding the City's redistricting process, please visit the City's website at ArcadiaCA.gov/redistricting. If you have any questions regarding the redistricting process, please email us at CityClerk@ArcadiaCA.gov.
