WATCH FOR NEW TRAFFIC LIGHTS IN ARCADIA

To improve safety for both pedestrians and drivers, the City has added new traffic signals at various intersections: **No Right Turn on Red Arrows** and **Flashing Yellow Arrows**. Unlike a solid red light, which allows drivers to turn right when it's safe, a red arrow means no right turns are permitted. Flashing Yellow Arrows give motorists the option to make a left turn after yielding to oncoming traffic.

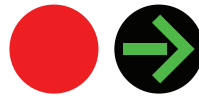

When can I turn?

Where are these red arrows?

- Santa Anita Avenue at Virginia Drive
- Foothill Boulevard at South Baldwin Avenue
- Foothill Boulevard at South Baldwin Avenue
- Campus Drive at Santa Anita Avenue
- Santa Anita Avenue at Duarte Road
- El Monte Avenue at Duarte Road

Future Intersections that will have the same safety measure:

- Duarte Road at Holly Avenue
- Las Tunas Drive at Warren Way
