DEVELOPMENT SERVICES DEPARTMENT

BUSINESS LICENSE DIVISION

Dear Arcadia Business Owners:

Beginning **Monday, February 2, 2026**, the City of Arcadia will be transitioning from our current system (HdL) to a new business license software system. All businesses, including current business license holders, will be required to create a new account and re-enter their business information in the new system. Please note that none of the existing business license information will be transferred over to the new system on EDGE.

To create an account and renew your business license, please visit the following link at www.arcadiaca.gov/EDGE, and follow the steps below. If you have an existing EDGE account, you do not need to create a new one. Simply click **“Apply”** at the top of the webpage.
