**NOTICE IS HEREBY GIVEN** that the Planning Commission will hold a public hearing and forward a recommendation to the City Council on a Citywide rezoning effort related to the approved Housing Element Update.

**General Plan Amendment GPA 23-02, Zone Change 23-03, and Text Amendment 23-02 (Citywide Rezones for the Housing Element Update)** – The City of Arcadia adopted revisions to its Housing Element on February 15, 2022. This Update was for the State-required planning period of 2021-2029, often referred to as the 6<sup>th</sup> housing cycle. The proposed action includes changes to the City's General Plan, Zoning Map, and Development Code to implement the approved Housing Element. The changes are summarized below and maps and information can be viewed at [www.arcadiaca.gov/housing](http://www.arcadiaca.gov/housing):

1. Expand the Downtown Mixed-Use Zone to properties east of 2<sup>nd</sup> Ave. and west of 5<sup>th</sup> Ave. and along Rolyn Place.
2. Add a Downtown Mixed Use Overlay zone over commercial-manufacturing properties along St. Joseph and La Porte Streets.
3. Increase the residential density allowed in the Mixed Use (MU) zone from 30 dwelling units/acre to 50 dwelling units/acre.
4. Add a "Residential Flex" Overlay Zone over portions of Live Oak Avenue, Las Tunas Drive, and the General Commercial (CG) zoned areas of the City to allow residential projects in these locations with up to 50 dwelling units/acre, if affordable housing units are proposed.
5. Increase the residential density allowed in the Multi-Family Residential (R3) zone from 30 dwelling units/acre to 40 dwelling units/acre.

**Environmental Determination** – Pursuant to the provisions of the California Environmental Quality Act (CEQA), an Addendum to the adopted Negative Declaration has been prepared for the Housing Element Update, and it was determined that the proposed rezones will not have a significant effect on the environment as previously analyzed, per CEQA Guideline 15164. The 30-day public review period for the environmental document is from **December 21, 2023 to January 22, 2024**. **Written comments must be received no later than January 22, 2024.**
