Sunday, April 26

At 6:17 p.m., Engine 106 and Rescue Ambulance 106 responded to the 800 block of Huntington Drive for a reported person down. Fire personnel arrived and found a 32-year-old female suffering from an overdose. The patient received a 12-lead electrocardiogram (EKG), blood glucose testing, intravenous therapy, medications, and was transported to USC Arcadia Hospital for further care.

Monday, April 27

At 6:26 p.m., Engine 105, Rescue Ambulance 105, and BLS 106 responded to a medical incident in the 100 block of Woodruff Avenue. Fire personnel arrived and found a 78-year-old male with a complaint of a syncopal episode. The patient received a 12-lead EKG, intravenous therapy, and was transported to USC Arcadia Hospital for further care.

Tuesday, April 28

At 5:10 a.m., Engine 106, Rescue Ambulance 106, and BLS 106 responded to a medical incident in the 500 block of Valido Road. Fire personnel arrived and found an 88-year-old male with a complaint of difficulty breathing. The patient received a 12-lead EKG, intravenous and oxygen therapies, and was transported to USC Arcadia Hospital for further care.

Wednesday, April 29

At 7:33 p.m., Engine 105, Engine 107, Truck 105, and Battalion 105 responded to an odor of natural gas inside a structure in the 200 block of Santa Anita Avenue. Fire personnel arrived and found the building had been evacuated. Air monitoring sensors were utilized upon entering to determine what hazard may be present. The source of the odor was determined to be a malfunctioning forklift battery and charger, and the area was quickly ventilated. The building was repopulated without further incident.

Thursday, April 30

At 6:35 p.m., Engine 107, Engine 41, Truck 105, and Battalion 105 responded to a report of an appliance fire in the 1700 block of Santa Anita Avenue. Fire personnel arrived and found a two-story residence filled with smoke. Further investigation found that an oven caught fire; however, it was quickly extinguished before spreading to the rest of the home. Ventilation fans were utilized to clear the smoke and fire personnel assisted with cleanup, after which the residents were able to return to their home.
