

MEMORANDUM

Fire Department

DATE: June 16, 2026
TO: Dominic Lazzaretto, City Manager
FROM: Chen Suen, Fire Chief
SUBJECT: Fire Department Weekly Report

The Arcadia Fire Department responded to a variety of emergency calls during the week of June 7 - 13, 2026. The following is a breakdown of incident categories recorded for this period:

Incident Category	This Week	YTD
Fire	8	71
Hazard	4	91
Agency Assist	2	18
Medical	87	2,070
Non-Emergency	16	339
Public Service	8	236
Rescue	2	35
Other	0	3
Total Incidents	127	2,863

Sunday, June 7

At 3:46 p.m., Engine 106, Rescue Ambulance 106, and Engine 37 responded to a reported traffic collision on the Eastbound 210 Freeway, east of Michillinda Avenue. Firefighters arrived to find a semi-truck with a small passenger car underneath it. They evaluated all parties involved and found one patient, the 23-year-old male driver of the small passenger car. This patient was transported under advanced life support protocols to Huntington Hospital Trauma Center with severe head and torso trauma.

Monday, June 8

At 12:45 p.m., Engine 106 responded to an outdoor fire near 900 block of Fairview

Avenue. Upon arrival, Engine 106 was directed by a roofing company onsite to a hot asphalt kettle involved with fire. Engine 106 personnel utilized a dry chemical extinguisher and deployed a hose line to protect the carport from direct flame impingement. Engine 105 responded to the incident for additional personnel and equipment. The fire was extinguished and crews monitored the asphalt kettle temperature with the thermal imaging camera. Arcadia police officers assisted with crowd control and notifying nearby residents of the incident. Building officials were on site monitoring the incident and assessed the carport for damage. The fire was confined to the asphalt kettle, and the carport did not sustain any damage.

Tuesday, June 9

At 2:35 p.m., Engine 106 and Rescue Ambulance 106 responded to a medical incident near the 200 block of West Huntington Drive. Upon arrival, Rescue Ambulance 106 found a 71-year-old male exhibiting stroke symptoms. Paramedics performed a series of stroke tests on the patient and identified the patient was experiencing a stroke. Fire personnel obtained a 12-lead electrocardiogram, blood glucose check, established intravenous access, and transported the patient to USC Arcadia Hospital Comprehensive Stroke Center by Rescue Ambulance 106.

Wednesday, June 10

At 1:31 a.m., Engine 105 responded to the 100 block of West Huntington Drive for a reported refuse fire. Firefighters arrived to find a refuse fire extending into the structure and trees in the area. Firefighters quickly extinguished the fire with a single

hose line. Arson investigators were notified and the cause of this fire remains under investigation.

Thursday, June 11

At 10:46 a.m., Engine 105, Engine 107, Battalion 105, and units from Monrovia Fire responded to a vegetation fire in the 800 block of Bonita Street. Upon arrival, firefighters found a 50 feet by 50 feet section of brush and a homeless encampment engulfed in flames, threatening an adjacent business. The units managed to prevent any structural damage and successfully extinguished the fire. The cause of the fire is currently under investigation.

Friday, June 12

At 4:29 p.m., Engine 106 responded to the intersection of South Baldwin Avenue and Camino Real Avenue for a reported refuse fire. Firefighters arrived to find a large dumpster well involved in fire. Firefighters quickly extinguished this fire with a single hose line. Arson investigators were notified and the cause of this fire remains under investigation.

Saturday, June 13

At 6:35 p.m., Engine 101, Engine 107, Truck 101, Truck 105, RA 105, and Battalion 105 responded into Monrovia for a reported structure fire near the 200 block of Poppy Avenue. Upon arrival, Engine 101 arrived on scene and reported heavy smoke from a single-story residential structure. Engine 107 assisted with pulling an additional hose line to assist with fire attack. Battalion 105 arrived on scene and established command of the incident. Truck 101 was assigned to ventilation group and coordinated their efforts with fire attack. All occupants evacuated the house prior to fire department arrival, and one patient was assessed and treated at the scene. The fire was extinguished at approximately 25 minutes after first arriving crews were on scene. Crews utilized foam to extinguish any hot spots remaining after overhaul. The fire was confined to the room of origin, and the cause is under investigation.
