#### **NOTICE TO PUBLIC**

The City of Arcadia (“City”) is committed to providing individuals with disabilities an equal opportunity to participate in and benefit from the City’s programs, activities, and services.

Individuals may request reasonable accommodations from the City that they believe will enable them to have such equal opportunity to participate in our programs, activities, and services. Requests may be made at any time but the City asks that you submit a request in advance whenever possible. The City has prepared a Frequently Asked Questions (“FAQs”) document to answer the public’s common questions regarding accommodations, which is available online and in person at the City’s public facilities.
