

## **CITY OF ARCADIA**

### **PLANNING MANAGER**

#### **DEFINITION**

Under general direction, to supervise, plan, and coordinate the activities and operations of Planning and assist with Code Services and Business License issues related to planning within the Development Services Department including long range planning, zoning, ordinances, and codes; to coordinate assigned activities with other divisions, outside agencies, and the general public; and to provide highly responsible and complex staff assistance to the Deputy Development Services Director.

#### **SUPERVISION EXERCISED**

Exercises direct supervision over professional, technical, and clerical staff.

#### **EXAMPLES OF IMPORTANT AND ESSENTIAL DUTIES**

Performs difficult professional, managerial, and administrative work under the supervision of the Deputy Development Services Director.

Coordinate the organization, staffing, and operational activities for the Planning Division, including long range planning, zoning, ordinances, and codes.

Plans, coordinates, trains and evaluates the work of assigned staff and manages contracts; determines appropriate project priority and schedules; estimates resources needed.

Participate in the development and implementation of goals, objectives, policies, and priorities for Planning; identify resource needs; recommend and implement policies and procedures.

Select, train, and motivate assigned personnel; provide or coordinate staff training; work with employees to correct deficiencies; implement discipline and termination procedures.

Supervise, coordinate, and review the work plan for Planning; meet with staff to identify and resolve problems; assign work activities and projects; monitor work flow; review and evaluate work products, methods, and procedures.

Identify opportunities for improving service delivery methods and procedures; review with appropriate management staff; implement improvements.

Participate in the development and administration of the Planning program budget; forecast additional funds needed for staffing, equipment, materials, and supplies; direct the monitoring of and approve expenditures; recommend adjustments as necessary, and assist with the budget, as directed.

Review building plans for conformance to zoning and related ordinances; review grading and drainage plans to mitigate potential drainage problems.

Provide technical staff support and make oral presentations to the Planning Commission, Historic Preservation Commission, and other Boards or Commissions, as directed.

Prepares and reviews staff reports for development applications, subdivisions, zone changes, text amendments, environmental review, and grant application; conducts special research to support major planning projects.

Conduct office conferences in reference to code enforcement violations related to planning issues.

Research and draft ordinances for review.

Advise property owners, petitioners and the various homeowners' associations of the effect and implications of zoning and development actions.

Coordinate assigned services and activities with those of other divisions and outside agencies and organizations.

Provide staff assistance to the Deputy Development Services Director; prepare and present staff reports and other necessary correspondence. Provides staff support to the Development Services Director in support of major projects and initiatives.

Respond to and resolve difficult inquiries and complaints.

Attend and participate in professional group meetings; stay abreast of new trends and innovations in the field of planning and code services.

Monitors and keeps informed of current trends in the urban planning field and community development matters, including legislation, court rulings, and professional practices and techniques; evaluates their impact on City operations and recommends policy and procedural improvements and/or changes.
