

WaterSense Toilet Rebate Application Form

Arcadia water customers may apply to the City's WaterSense rebate program for qualifying toilets purchased within the year of application. According to the US EPA, an average family could save approximately 13,000 gallons and \$170 in water costs per year by installing WaterSense labeled toilets. Whether you are replacing an older toilet or simply looking for ways to save water at home, look for the WaterSense label when purchasing for models that are water efficient and perform well. For reference, visit: <http://www.epa.gov/watersense/residential-toilets>. A successful rebate application is contingent upon meeting the terms below:

Rebate Terms:

- Toilets must have 1.28 gallons per flush or less and display the Watersense label.
- Applicant can submit an application for up to 1 toilet per household.
- The maximum rebate award is \$75 per toilet.
- Only new toilets purchased within the year of application may qualify.
- Proof of purchase (receipt) must be included with the completed application form.
- Include a photo of the toilet showing the WaterSense label.
- Rebate checks are non-assignable and will be mailed directly to the applicant.
- Application/rebate processing may take up to 6-8 weeks.
- By participating in this program, you waive and release the City from any and all claims and causes of action arising out of the installation or use of rebated item.
- The City does not guarantee participation will result in a lower utility bill.
- This program can be subject to change or termination at any time.
- The City of Arcadia reserves the right to deny any rebate application.
- Your rebate application may be emailed to PublicWorks@ArcadiaCA.gov or mailed to:
