

ARCADIA BLUE STAR REGISTRY

ARCADIA RECOGNIZES FAMILIES
OF LOCAL MILITARY PERSONNEL

Arcadia Supports Its Heroes

The City of Arcadia has joined with Monrovia and other San Gabriel Valley cities to revive the Blue Star Program. The “blue star” has been used for decades as a way to unite families with sons and daughters in the Armed Forces of the United States of America. Used as a window sign, the Blue Star signifies that a member of that particular household has a family member on active duty in the United States military.

In this time of war and uncertainty, the City of Arcadia believes it is important to honor the heroic efforts of our military and to keep the people who serve in our hearts and minds. As a nation, we owe these brave people a world of gratitude for risking their lives to preserve safety and freedom. The City of Arcadia is very proud to have members of the community who selflessly put themselves at risk to protect the American way of life.

The Blue Star posters are 12” x 18” and are made available for no charge. They are a great way to show pride in your family and support of our great country. Residents with a family member on active duty and who are interested in displaying a Blue Star are encouraged to fill out the attached form and return it to the City Manager’s office, 240 West Huntington Drive Arcadia, CA 91007. Please call 626-574-5401 with any questions.

The Ruth and Charles Gilb Arcadia Historical Museum coordinates a Blue Star Registry for Arcadians on active duty in the military. Photographs and memorabilia are welcome and will be introduced in the registry as space allows. The museum also displays photographs and memorabilia of local veterans in the Arcadia Veterans room.
