BEAR RESISTANT CART AGREEMENT

I _____, residing at _____, Arcadia, California, agree that I will comply with the following terms as I am requesting _____ (*specify number quantity*) 95-gallon Bear Resistant trash Cart(s) in lieu of the black trash carts provided under standard residential waste service:

1. I will be billed \$7.67 for each Bear Resistant Cart collection service per month in addition to my monthly 96 gallon service rate.
2. The Bear Resistant Cart(s) is the sole property and responsibility of the resident requesting the cart(s). In the event the Bear Resistant Cart(s) is stolen, loss, or damaged, the City of Arcadia is not responsible to replace said cart.
3. The cost of the 96-gallon Bear Resistant Cart is \$463.52 prorated at \$77.25 bi-monthly for one year. The prorated cost will be reflected in my Arcadia water bill.
4. If I am not currently at a 96-gallon trash service level, my service level will be increased to the current 96-gallon rate as established in the Residential Refuse and Recycling Agreement with Waste Management (WM) Inc.
5. If I request to change back to use of a non-Bear Resistant Cart or move away from the City, I will be responsible to pay the remaining balance owed to the City of Arcadia.
6. Weekly residential service and monthly fee will commence upon arrival of the Bear Resistant Cart to curbside.

I do hereby wish to enter into this Agreement with the City of Arcadia, CA.
