

CITY OF ARCADIA

CITYWIDE HISTORIC PRESERVATION ORDINANCE

MARK YOUR CALENDAR FOR UPCOMING COMMUNITY MEETINGS

Notice to Property Owners:

This notice is to inform you that the Planning Division and the City's consultant, Architectural Resources Group (ARG), will be hosting two community meetings to present and discuss a Draft Historic Preservation Ordinance for the City of Arcadia. At these meetings, residents will be given an opportunity to ask questions and provide comments. The City underwent a comprehensive, citywide historic resources survey in 2015. Approximately 16,800 parcels were evaluated by the survey team, with the exception of those properties that were built after 1970. As a result, a total of 188 potential historic resources have been identified on the Inventory and up to 11 potential historic districts. The Draft Historic Preservation is available for public review at www.ArcadiaCA.gov/HistoricPreservation.
