

The Gilb Museum of Arcadia Heritage Presents:

# Faces of Arcadia

You can help the Gilb Museum tell the story of Arcadia as it gathers person histories that reveal how and why diverse people from all over the world have arrived to our city. After the Museum has accumulated these memories, all stories will be preserved in the Museum's Memory Archive and it will use selected stories to create an exhibit that will share these journeys with everyone.

## Guidelines:

1. Write your story in 300 to 1,000 words.
2. Choose an image to go along with your story.
3. Fill out the "Hold Harmless" form.

Submit your story, image, and form to:
